DDS&T reported that they would probably be seeking approval for a South China mission this afternoon. He noted that his people had interviewed [redacted] and were making arrangements to bring him aboard. The DCI said that he was glad to hear this, but when he introduced individuals to various components of the Agency he was not promoting anyone, that the individual directorate would have to make their own judgments and live with them. The DCI noted that Pat Hyland had called him and hoped that the panel could be renamed.

Bross expressed the hope that the new Presidential letter to the DCI concerning the latter's duties and responsibilities could be secured before the Director brought USIB aboard on his 15-year projection.

DDS noted that at a meeting yesterday chaired by the Vice President, it was decided that all government departments and agencies would hire one youth between the ages of 16 and 21 per 100 regular employees. This would be a part of the anti-poverty program but would cause problems in seeking security clearances for some of these individuals. Mr. Kirkpatrick will seek to have the Agency exempted from this program. He also noted that the Secretary of State will be presenting a posthumous award for the late [REDACTED] 25X1 Arrangements are being made to bring her parents here for the ceremony.
